Dear North Miami Families,

As you are aware, Governor Holcomb signed an Executive Order on 7.24.2020 with the following requirements for all Indiana Schools:

- Face coverings in schools required for grades 3 and up, faculty and staff, volunteers and anyone else in schools.
- Face coverings required on school busses for all grades K-12.
- Face coverings are required for co-curricular and extracurricular activities.
- Exceptions made for medical purposes, strenuous physical activity, eating and drinking, recess, outdoor classroom setting and when social distancing of 6 feet can occur in classroom setting or outdoors.

As a result, the North Miami Fall Reopening Plan has been updated and is consistent with the new requirements in Governor Holcomb's Executive Order. In addition to face coverings, we all must continue to wash our hands, social distance when possible, and stay home if sick. The key to a successful in-person school year is working together to follow those four simple steps. Please encourage and support your child to wear a face covering, wash hands, social distance, and stay home when sick.

If you have not completed your child's registration, please do so ASAP. We need this information for planning purposes. If you have any questions, feel free to contact your child's principal:

North Miami Elementary – 765.985.2251 | North Miami Middle/High School – 765.985.2931

The North Miami updated Reopening Plan is available on our website at:

www.nmcs.k12.in.us Changes made to the Reopening plan have been highlighted.

We look forward to starting the school year August 11th! Thank you for your continued support!

Sincerely,

Kenneth Hanson
Superintendent
North Miami Community Schools
