

STRATEGIC PLAN

ELEVATING RURAL EDUCATION

VISION STATEMENT

WHERE WE ARE GOING:

**Planting seeds of learning to enable students to
excel in a rapidly changing environment.**

MISSION STATEMENT

WHY WE EXIST:

North Miami Community Schools will support every student through quality academics, a positive environment, and strong partnerships with our families and community.

GOALS:

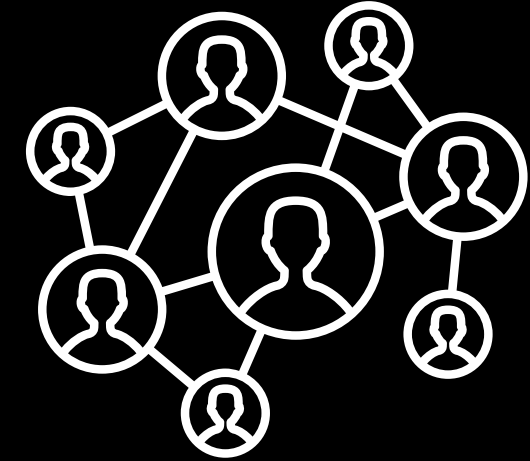

HOW WE WILL ELEVATE RURAL EDUCATION

ACADEMICS

ENVIRONMENT

COMMUNITY

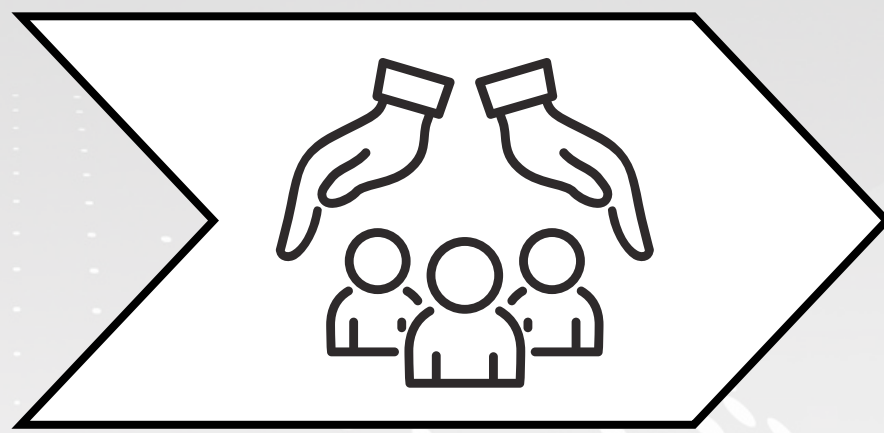

ACADEMICS

ACADEMICS

- **GROWTH FOR EACH STUDENT IN ALL MEASURABLE AREAS.**
 - Utilize MClass assessment, I-READ, ILEARN, PSAT, SAT, and in-house assessments as data to chart and measure growth.
 - Analyze the transition from elementary to middle school.
- **Increase rigor, dual credit options, and certification opportunities.**
 - Expand partnerships with Ivy Tech, Heartland Career Center, and work-based learning opportunities.
 - Align curriculum and instruction to reflect new standards.

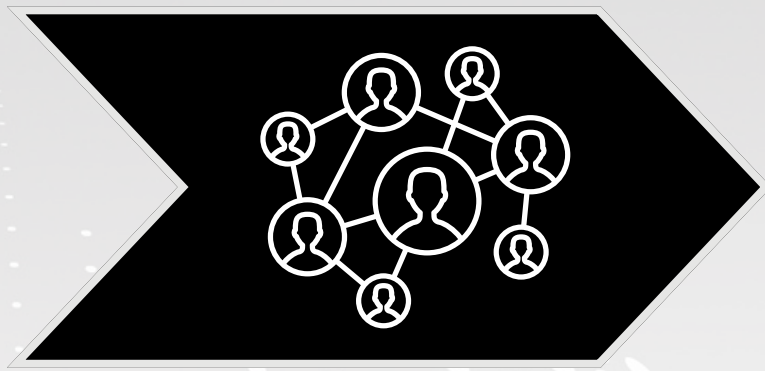

ENVIRONMENT

ENVIRONMENT

- **Increase attendance and activity participation for each student.**
 - In-person education is the best mechanism we can provide to our students for stability and to achieve academic growth.
 - Develop partnerships to establish pathways and career understanding.
- **Promote positive social interactions.**
 - We will monitor behavior referrals and continue our Warrior Way initiatives.
 - We will further support our buildings to be a safe place to work and learn.

COMMUNITY

COMMUNITY

- **Partner with families to participate in their child's education.**
 - Promote opportunities for parent involvement in each child's education and activities.
 - Communication through website redesign and streamlined platforms.
- **Expanding wellness and life skills education for all students.**
 - Provide prevention programming to support all aspects of student health and safety.
 - Increase community service opportunities and strengthen community resource awareness.
